2 Introduction

2.1 Background

3 Theory

3.1 What is *Refractive index*?

3.2 The photonic crystals, a tool for measuring the refractive index

4 Building a database

4.1 Measuring with the WaterCareGuard suitcase

4.2 Measuring with the Shimadzu UV-1900

4.3 Problems

4.4 Data analysis

5 User interface

5.1 API Interface

5.2 Graphical User Interface

6 Conclusion
